

Partners for Pollution Prevention Annual Membership Survey

JANUARY – DECEMBER 2003

The Executive Steering Committee of the Indiana Partners for Pollution Prevention would greatly appreciate you taking a few minutes to complete this survey regarding your membership in the Indiana Partners for Pollution Prevention (P4P2). This survey covers the period from January to December 2003. Please return the completed survey by February 15, 2004 to Bobbi Steiff by email at rsteiff@dem.state.in.us, fax at 317-233-5627, or by mail to IDEM/OPPTA, P.O. Box 6015, Indianapolis, IN 46206-6015.

Name: _____ Organization: _____

How long has your organization been a Partner? _____

PART I: Committing to the Partners Pledge

- Yes** **No** (To check a box, right click on the box, go to Properties and click "Checked" and then OK)
- ☐ ☐ 1. Can IDEM use information contained in this survey to market the P2 successes in Indiana?
- ☐ ☐ 2. Have you or someone in your organization informed your employees of your organization commitment to pollution prevention (P2) and do they understand their role in implementing P2 objectives and goals? If yes, explain how. If no, note barriers.
- ☐ ☐ 3. Have you incorporated P2 planning in the development of new products, processes and/or services? If yes, explain how. If no, note barriers.
- ☐ ☐ 4. Have you established a mechanism to monitor the generation of wastes and have you identified P2 goals? If yes, in what ways. If no, note barriers.
- ☐ ☐ 5. Have you established a process to listen and respond to your stakeholders (community, management, etc.) concerns? If yes, explain how. If no, note barriers.

Yes No
☐ ☐

6. Upon request, have you made your waste generation data and P2 efforts available to members of your community? If yes, explain how. If no, note barriers.

☐ ☐

7. Have you established an outreach program for promoting and supporting P2 efforts that includes at least one of the following:

- ☐ Shared your P2 experiences and P2 techniques with customers, suppliers and other industries;
- ☐ Made available and/or supported P2 educational workshops;
- ☐ Participated in 2 or more P4P2 meetings annually;
- ☐ Assisted local and state governments and others in establishing P2 programs that will benefit the citizens of Indiana and the communities in which we operate.

☐ ☐

8. Did you support the 2003 Annual Indiana P2 Conference and Trade Show? If yes, how?

- ☐ Vendor;
- ☐ Planning committee;
- ☐ Donation;
- ☐ Sent two representatives to the conference;
- ☐ Speaker during the conference;
- ☐ Other: _____

Please indicate how you plan to support the 2004 Annual Indiana P2 Conference and Trade Show. (this is not a formal pledge, but will provide the Conference Planning Committee an idea of who to contact).

- ☐ Vendor;
- ☐ Planning committee;
- ☐ Donation;
- ☐ Sending two representative to attend the conference;
- ☐ Other: _____

Please provide any comments/suggestions regarding the P2 Conference.

Yes No

- ☐ ☐ 9. Do you have a P2 story you would be willing to share at a Partners Quarterly Meeting? Please describe project, process or technology that reduced or eliminated a toxic material or environmental waste. Provide data supporting these reductions. Include the name of the chemical reduced and by how much such as BTU reductions, pounds of hazardous waste reduced, reductions of water usage, reductions of emissions to the water or air, etc. Include a brief description of the process(es) effected. Also include the approximate cost to implement and any cost savings associated with the project. Use an additional sheet if necessary.

- ☐ ☐ 10. Would you be willing to hold a Partners Quarterly Meeting at your facility?

PART II: Suggestions

11. What suggestions do you have to improve the quality and value of the quarterly Partners meetings? What ideas do you have to increase attendance at the quarterly meetings and/or the annual P2 conference? In what ways would you like IDEM to add to the conference and quarterly meetings?
12. What do you feel are the benefits for your company to be a member of the P4P2?
13. In the last year, what were the P2 barriers you encountered in exploring or implementing P2 at your facility?

14. How could the P4P2 be more beneficial to you and your organization?

- ☐ More speakers on environmental regulations affecting my company.
- ☐ Hearing from vendors with new P2 technologies.
- ☐ A website linking to P2 information regarding existing technology.
- ☐ More success stories from companies.
- ☐ Newsletter.
- ☐ More active listserv announcing P2 opportunities.
- ☐ Professional/scientific speakers with updates on new technologies.
- ☐ Offering Continuing Education Units for portions of the meetings.
- ☐ Facility tours.
- ☐ Greater regulatory commenting.
- ☐ Other. Please list: _____

15. What topics are of interest to you for future meetings:

- ☐ Solvent use (P2 alternatives)
- ☐ Hazardous Air Pollutants (Such as P2 technologies to reduce toluene, styrene or xylene.)
- ☐ Environmental Management Systems (EMS)
- ☐ Industrial P2 Success Stories
- ☐ Office P2 Success Stories
- ☐ P2 in rulemaking
- ☐ Air topics, please specify: _____
- ☐ Water topics, please specify: _____
- ☐ Land topics, please specify: _____
- ☐ Other, please specify: _____

16. Which specific efforts would you be interested in providing input or participating?

- ☐ Organization (Plans the quarterly meetings and develops initiatives for the Partners)
- ☐ Membership (Reviews status of current members, determines eligibility of applicants, plans membership drive activities)
- ☐ Conference Planning (Plans annual P2 Conference, meets 8 to 9 times a year)
- ☐ Outreach/Researcher

Thank you for your comments!
